

**BPay is now available at Eltham High School**

Simply use the biller code and reference number listed on your July statement which was mailed out during the holidays.

If you provide us with details at the time of your payment we will allocate it in accordance with your request. Email your payment details to *accounts at elthamhs.vic.edu.au* otherwise it will be allocated as follows:

1. Essential education items
2. Optional extras
3. Voluntary financial contributions.

Please note that biller code 87361 will show DEECD (Department of Education and Early Childhood Development) NOT Eltham High School. The Department initially receives the payment and then distributes to schools the next day so there is a processing delay of two days.

If you require any further information, please call the office on 9430 5111
